

7th Grade Summer Read
Things Not Seen
By: Andrew Clements

The 7th grade summer read chosen for the 2017-2018 school year is Things Not Seen by Andrew Clements. Please read this book over the summer and complete the packet by the first day of school. **Be sure to site textual evidence when answering each question. (Textual evidence is specific examples from the novel.)** This packet will be the first homework grade given for reading class. There will be other activities to follow along with a test.

All questions in the packet should be written in complete sentences on loose leaf paper (or typed) and finished in its entirety by **THE FIRST DAY OF SCHOOL.** Do not forget to design and color the cover page according to the instructions and staple it on top of the questions. The test given on Things Not Seen will be **the first test grade of the year** in reading class.

Students, please take the time to read carefully and do quality work. It is important to start the school year off on the right foot. Have an enjoyable summer. Happy Reading!
